The Goshen Order of the Arrow Trail crew is run by the Amangamek-Wipit Lodge 470 of the National Capital Area Council.

ABOUT THE PROGRAM

WEEK ONE

The first week of the GOAT program focuses on training and service. Participants will learn about outdoor ethics and backcountry conservation and apply their new skills across the entire breadth of the Lenhok'sin trail system.

Other trainings include advanced outdoor skills, such as:

- Search and rescue
- Fire suppression
- Backcountry risk management

The crew will also learn how to plan, organize, and lead outdoor adventure activities with Goshen's COPE Course.

The first week of the program is based out of Lenhok'sin's base camp - Camp Baird.

WHAT IS GOAT?

First formed by the Amangamek-Wipit Lodge in 2002, the Goshen Order of the Arrow Trail crew offers an innovative leadership and high adventure program for older Order youth and adults. The two-week-long program emphasizes wilderness conservation and outdoor adventure.

The first week focuses on continuing to maintain and improve the Lenhok'sin trail system at Goshen Scout Reservation, including training and practical application. The second week is a weeklong backpacking trek within the Lenhok'sin trail system, designed by the participants in the crew.

Specific benefits of the Goshen Order of the Arrow Trail program can provide any participant are:

- Applying practical backcountry skills in direct support of our Council camps.
- Learning to cooperate and to work in unity toward environmental stewardship.
- Enhancing one's understanding of the Order of the Arrow.
- Experience fun and inner satisfaction from a unique high adventure experience with lifetime memories.

WEEK TWO

The second week of the program is on the trail. Choosing from a variety of program options not otherwise offered to units attending Lenhok'sin, the crew will design a multi-day backpacking high adventure experience for themselves.

Included with this are the standard Lenhok'sin opportunities of great views, like Viewing Rock, and outposts with adventure activities. Outposts range from technical outposts - Caving, Aquatics, Search & Rescue, and COPE High Elements - to historical outposts - Mountain Man, Foxfire, and Wood's Edge. Crews can also choose a primitive night to get farther into the backcountry.
