WELCOME TO FAMILY CAMP!

Dear Scouts and Scouting Families,

Welcome to the Goshen Scout Reservation and thank you for choosing us for your Family Camp adventure! Seated on the steps of the George Washington & Jefferson National Forest in the Blue Ridge Mountains of Virginia, the Goshen Scout Reservation is proud to have been a part of the scouting experience since 1967. Our mission is to provide you with a memorable scouting experience, whether you are joining us at Goshen for the first time, or for the tenth time. At GSR Family Camp, we are looking forward to continuing to offer a wide variety of programs and outdoor experiences for you and your family and friends to enjoy together.

Family Camp is always one of my favorite events of the year. It is an opportunity to spend time with loved ones in the great outdoors and explore the Scouting Program. During the day, Family Camp Attendees can be found swimming and boating on Lake Merriweather, participating in target and range activities on the range, and climbing to new heights on the climbing tower. During the evening, families are found relaxing around the campfire, singing songs, and gazing at the stars.

This guide will provide you with information you need to plan and prepare for your upcoming family camp experience. We continually update and add new information on our website and encourage you to visit our "Family Camp" page at www.gotogoshen.org for more information, including program schedules.

Thank you for all you do for the scouting community throughout the year, and we cannot wait to welcome you at the Goshen Scout Reservation.

Yours in Scouting,

Elisabeth Warren

Goshen Scout Reservation Director

About Goshen Scout Reservation

WHAT IS GOSHEN SCOUT RESERVATION?

Operated by National Capital Area Council BSA, the Goshen Scout Reservation is home to five Nationally Accredited summer camps; Bowman, Marriott, Olmsted, Ross, and Lenhok'sin High Adventure. Each of the camps offers specialized programs and advancement opportunities, as well as different dining methods.

CAMP OLMSTED – www.gotogoshen.org/olmsted

Camp Olmsted is a center for STEM, hosting the “Tech Center” with programs including robotics, animation, and design. Olmsted also offers wide variety of programs in aquatics, ecology, outdoor skills, shooting sports, and crafts. Units at Olmsted enjoy meals prepared in the Forster Dining Hall and take part in a dynamic “dining hall program.” Camp Olmsted offers camping for 400 and is the largest camp at the Goshen Scout Reservation.

CAMP BOWMAN – www.gotogoshen.org/bowman

Units who attend Camp Bowman will take part in the Patrol Cooking program, creating the opportunity for Scouts to apply their new and developing scout skills. By working together to cook each meal and care for the campsite, Camp Bowman units see growth in scout independence and teamwork. Camp Bowman offers camping for 300, and includes program areas for outdoor skills, shooting sports, aquatics, crafts, and more.

CAMP MARRIOTT – www.gotogoshen.org/marriott

With a focus on vocational and trade skills, Camp Marriott offers a large variety of merit badge programs in areas including aquatics, ecology, outdoor skills, shooting sports, and eagle advancement. With an emphasis on vocational and trade skills, “The Guild” hosts classes in metal working, welding, automotive maintenance. Camp Marriott offers camping for 300 and offers patrol cooking and “heater stack” dining methods. The use of the patrol method in dining options promotes active team building and teaches scouts effective group communication and time management, all while learning how to cook! Camp Marriott is also home to GSR’s Provisional Camping program for individual scouts.

CAMP ROSS– www.gotogoshen.org/ross

Camp Ross is one of the only weeklong resident camping programs for rising Webelos and rising Arrow of Light Scouts! With the goal to give scouts “a great week and an introduction to scouting,” Camp Ross serves as a steppingstone into the Scouts BSA program and future scouting experiences. Camp Ross offers camping for 300 and supports programs in nature, outdoor skills, crafts, shooting sports, and aquatics (including a water trampoline!). Units at Camp Ross enjoy meals from the Dining Hall and participate in camp songs and celebrations with the staff.

WHAT IS GOSHEN SCOUT RESERVATION?

LENHOK'SIN HIGH ADVENTURE – www.gotogoshen.org/lenhoksin

Lenhok'sin High Adventure offers backpacking and canoeing trek programs for units and older scouts. Based on a "plan your own adventure" structure, Lenhok'sin's customizable Backpacking Trek and 61-mile James River Canoe Trek serve as a preparation opportunity for units who may be aspiring to attend a National High Adventure Base, such as Philmont or Northern Tier, in the future. Lenhok'sin backpacking units also take part in other high adventure activities including caving, black powder rifle shooting, blacksmithing, stand-up paddle boarding, and more!

MEDICAL REQUIREMENTS

BSA PERSONAL HEALTH AND MEDICAL RECORD

Every participant should complete a BSA Annual Health and Medical Record (Parts A and B) and keep them on file in their campsite at the Goshen Scout Reservation. BSA Form #680-001, is the only medical form accepted by the BSA for events.

MEDICATIONS

Medication is the direct responsibility of the attending family. If you wish to store prescriptions in the first aid room at camp may do so by talking to the First Aid staff member upon arrival. A locked, medical refrigerator is also available in the first aid room.

C-PAP MACHINES

Any person who requires a C-PAP machine must bring their own equipment, including a rechargeable battery to camp. The Goshen Scout Reservation does not have powered campsites and is unable to provide batteries and extension cords to participants. Daily charging areas are available in the camp Leader’s Lounge, Admin Building, and select program areas. Please speak with your camp administrative staff with any questions.

STANDARDS OF CONDUCT

BOY SCOUTS OF AMERICA - YOUTH PROTECTION

Preventing child abuse is a critical objective of the Boy Scouts of America, and the safety of our youth and adults is always of utmost importance. The assistance of every adult is essential to success. All adults are required to be current members of the Boy Scouts of America and hold a valid Youth Protection Training certification.

Please use the Scouting.org website (www.scouting.org/training/youth-protection) and your Youth Protection Training as a reference. Anyone who has questions on how these policies and procedures apply in a summer camp environment should consult with the Camp Director or Reservation Director.

MANDATORY REPORTING

All BSA-registered volunteers, parents, and leaders attending the Goshen Scout Reservation, and all other persons over the age of 18 are mandatory reporters. If you suspect that a Scout in camp is a victim, report this to the Camp Director immediately. The Camp Director will then involve the Reservation Director and Scout Executive, per National BSA policy. Virginia law requires that all childcare providers, including Scout Leaders, must report any incidents of child abuse and suspected child abuse to Child Protective Services. The Virginia State Child Abuse and Neglect hotline in Virginia is 1-800-552-7096, and if you are out of state is 804-786-8536. All discussions, both at camp and over the hotline, will be kept confidential.

CRIMINAL OFFENSES

While exceedingly rare, when a criminal act has been committed, the following procedures apply:

1. The immediate health and safety of both parties must be secured. Please ensure that the parties are separated to stop further actions.
2. Immediately notify the Camp Director of the incident.
3. Upon report, the Camp Director will respond accordingly, working with the Reservation Director and the reporting individuals to contact law enforcement when deemed necessary. Camp leadership has been trained on specific procedures when dealing with offenses of a criminal nature.

CAMP POLICIES

THE DIVERSITY, EQUITY, AND INCLUSION STATEMENT OF THE BSA

The Boy Scouts of America promotes a culture where each youth, volunteer, and employee feels a sense of belonging and builds communities where every person feels respected and valued. Leading by example and encouraging each other to live by the values expressed by the Scout Oath and Scout Law, we welcome families of all backgrounds to help prepare young people to serve as successful members and leaders of our nation's increasingly diverse communities.

A NOTE ON LANGUAGE

This guide uses several terms interchangeably. The terms, "adult," "leader," "advisor," and "Scoutmaster," describe any attending adult over the age of eighteen participating in the programs of the Goshen Scout Reservation. The terms, "youth," "youth participants," "Scouts," and "Venturers," describe any youth participant in any Goshen Scout Reservation program. Please note that Venturing participants over the age of eighteen are adults for purposes of Youth Protection policies, though they may still participate in the Venturing awards, and advancement program.

HAZING, INITIATIONS, DISCIPLINE

Any form of hazing, initiation, ridicule, or inappropriate teasing is prohibited and will not be allowed in any circumstance. Any disciplinary action must be constructive and must meet the standards of the Youth Protection policies of the Boy Scouts of America. Involvement in any of the aforementioned activities may result in removal from the Goshen Scout Reservation property.

HARASSMENT

The Goshen Scout Reservation and the Boy Scouts of America prohibit language or behavior that belittles or puts down others, unwelcome advances, racial slurs, chastisement for religious or other beliefs, or any other actions or comments that are derogatory of people. **Participants who do not meet these expectations may be asked to leave.**

A WORD ABOUT CONDUCT...

The Scout Oath and Law serve as the standards for all interactions between participants (youth and adult) and staff members. The Goshen Scout Reservation and the Boy Scouts of America serve individuals from diverse backgrounds, and it is important that each group respects each other. Any behavior that belittles, harasses, or makes another individual uncomfortable is not acceptable. Remember, a Scout is kind!

The current edition of the Scouter Code of Conduct is available at <https://www.scouting.org/health-and-safety/gss/bsa-scouters-code-of-conduct/>.

Each family should develop procedures to mitigate and address inappropriate/unacceptable behavior. Expectations and consequences should be set with all Scouts, parents/guardians, and adult

CAMP POLICIES

Participants; expectations should align with the Scout Oath and Law and the policies of the Boy Scouts of America, and consequences should be understood and acknowledged.

RESTRICTED ITEMS

It is against BSA and Goshen Scout Reservation policy for any individuals to possess any of the following items while on camp property:

- Personal Firearms or Ammunition
- Illegal Drugs
- Alcoholic Beverages
- Fireworks

If any of these items are found in the possession of any camper, either adult or youth, those involved will be dismissed from camp and law enforcement officials contacted if necessary.

Hunting arrows and bows are not permitted in camp.

CHEMICAL FUELS

The use of chemical fuels in lanterns and stoves is acceptable under the following conditions:

1. A knowledgeable adult must provide supervision over the storage, transport, and usage of the fuel and equipment.
2. Adults will teach Scouts the safe and proper handling and usage of fuel, stoves, and lanterns. Webelos Scouts do not handle liquid fuel, stoves, or lanterns.
3. The storage of liquid fuels must be in a safe and secure location approved by the Camp Director.
4. BY LAW, NO pressurized L.P. gas cylinders and NO liquid fuels (e.g., Coleman, MSR White Gas) may be transported to camp on the bus.

DRESS CODE

Everyone in camp is expected to follow the same rules of dress regardless of gender or age. Closed-toe shoes are required. Shower shoes may be worn in the shower only and water shoes should be worn for activities outside of the swimming area. Clothing depicting or advocating violence, criminal activity, use of alcohol or drugs, pornography, or hate speech will not be allowed. Shirts and/or coverups must be worn outside of the Aquatics area at all times.

SWIMSUIT POLICY

Appropriate attire is required for all activities. BSA's National Aquatics Subcommittee recommends: Swimsuits should be comfortable, functional, and modest. For males, swim trunks or board shorts are

CAMP POLICIES

appropriate. Modest tankinis or one-piece swimsuits for females. Inappropriate swimwear includes swim briefs or swim bottoms short enough to allow exposure and bikinis.

APPROPRIATE SHOE WEAR

Due to safety concerns, all individuals are required to wear closed-toed shoes at all times except when involved in swimming activities. Neither shower clogs nor sandals are acceptable for wear in camp as footwear but may be worn while showering.

OFF LIMIT AREAS

For your safety, various areas of the Goshen Scout Reservation are considered OFF LIMITS. These include the area above the upstream bridge (located between Camp Ross and Camp Baird), the Lake Merriweather Dam, the Spillway and adjoining embankments, and all Staff Residence Sites and Staff Cabins. Other restrictions include:

- While on the lake, persons using boats or canoes should stay away from any floating logs near the dam spillways.
- Short-cutting through other camps and campsites is not allowed unless hiking on the existing trails with the permission of your Camp Director.
- All campers should be at their unit's site by 9:30 pm each evening unless engaged in a late-night program.
- Fishing is not permitted at any Camp Aquatics Waterfront, from the Lake Merriweather Dam or its embankments (both sides), or the upstream bridge (located between Camp Ross and Camp Baird).

SMOKING AND TOBACCO POLICIES

Smoking is only allowed for adults over the age of 21. This smoking policy includes the use of electronic cigarettes or other smokeless tobacco products. You may smoke in designated areas only, and not in sight of Scouts. Each camp has one or two designated smoking areas. Smoking is not allowed in any campsites, camp building or structure, including tents. Cigarette butts are to be collected and disposed of properly.

PETS

Pets are not allowed in Camp or on the Goshen Scout Reservation property. If a member of your unit requires a registered service animals, they will be permitted to attend. In the case of registered service animals, please contact the Camp Director at least two weeks prior to camp.

CAMP SERVICES

CAMPSITE SET UP

All campsites at the Goshen Scout Reservation Family Camp have wooden tent platforms and picnic tables, and are conveniently next to a latrine with potable, running water for drinking and handwashing. Within each of these campsites is a “patrol site” or “sub site.” Each campsite also has a metal fire grate for your use.

Please note that the Goshen Scout Reservation does not provide tents or shade/dining flies during Family Camp Operations. Families should plan to bring their own tents to sleep in and shade flies, such as a pop-up canopy tent.

VALUABLES AND LOST & FOUND

The Goshen Scout Reservation camps are not responsible for personal items or their loss. All valuables such as money, cameras, watches, etc. should be carefully secured and labeled. Many families find it useful to bring along a container that can be locked for the storage of their camper’s valuables. If a Scout reports a lost item, the Scout should check with Lost and Found at the Camp Administration Office to see if the item has been found. It is recommended that all items brought to camp be labeled with the Scout’s name and unit number.

At the end of the summer, any items of significant value are brought to the Marriott Scout Service Center in Bethesda, MD and held for a short time before being donated to charity or being disposed of.

FIRST AID / MEDICAL TREATMENT

At Family Camp, the Goshen Scout Reservation has a trained Emergency Medical Technician (EMT) available 24-hours a day. The First Aid room can provide basic first aid treatment including minor cuts and abrasions, dehydration, sunburn, and minor aches and pains. If First Aid is needed while at camp, please proceed to the First Aid room so that the First Aider can properly assess the situation and utilize proper procedures to continue care.

The Goshen Scout Reservation has arrangements with the Carilion Rockbridge Community Hospital in Lexington, VA for all emergency situations. It is important that you visit the First Aid room at your camp prior to departing to outside services, as certain cases may be better handled by mobilizing emergency services to your location rather than moving the patient to the secondary location.

We encourage campers to notify camp staff in the event of an emergency, as we do have staffed EMTs and medical services at camp that are able to provide many of the same services as local EMS. However, in the event of a serious life-threatening emergency, campers should dial 911 immediately, and then notify camp leadership. Parent/guardians should be prepared to travel to the hospital with

the patient (may be by self-transport). Transportation back to camp can be arranged through the camp administration team, if needed.

Camp Olmsted at the Goshen Scout Reservation are equipped with shower houses with locking private rooms and changing areas, as well as flushable toilets (for staff and adult use only).

Per National BSA Youth Protection Policy, adults must ensure youth member privacy. The Goshen Scout Reservation requires adults accompany youth to the shower house area to help ensure that safety and privacy are being observed by other youth. Scouts and adults should never shower together. The only exception to this rule is for youth requiring medical accommodation and parent/guardians with their small children.
